

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

Information About Submission without Changes

After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as “Read-Only;” except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.

If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.

Recipient Performance

1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request? Yes

2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request? No

3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request? Yes

4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request? No

Renewal Grant Consolidation Screen

HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition? No
If “No” click on “Next” or “Save & Next” below to move to the next screen.

2A. Project Subrecipients

This screen is currently read only and only includes data from the previous grant. To make changes to this information, navigate to the Submission without Changes screen, select "Make Changes" in response to Question 2, and then check the box next each screen that requires a change to match the current grant agreement, as amended, or to account for a reallocation of funds.

A “100% Dedicated” project is a permanent supportive housing project that commits 100% of its beds to chronically homeless individuals and families, according to NOFA Section III.3.b.

A “DedicatedPLUS” project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria according to NOFA Section III.3.d:

- (1) experiencing chronic homelessness as defined in 24 CFR 578.3;
- (2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
- (3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;

However, applicants must confirm and correct, if necessary, the total budget amounts for Leased Structures, Supportive Services, Operating, HMIS, and Admin. Budget amounts must reflect the most accurate project information according to the most recent project grant agreement or project grant agreement amendment, the CoC's final HUD-approved FY 2017 GIW or the project budget as reduced due to CoC reallocation. Please note that, new for FY 2017, there are no detailed budget screens for Leased Structures, Supportive Services, Operating, or HMIS costs. HUD expects the original details of past approved budgets for these costs to be the basis for future expenses. However, any reasonable and eligible costs within each CoC cost category can be expended and will be verified during a HUD monitoring.

Form 990 Required: /X/ Yes / / No

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in section 170(b)(1)(A)(vi) and section 509(a)(1).

If your sources of support, or your purposes, character, or method of operation change, please let your key district know so that office can consider the effect of the change on your exempt status and foundation status. Also, you should inform your key District Director of all changes in your name or address.

Generally, you are not liable for social security (FICA) taxes unless you file a waiver of exemption certificate as provided in the Federal Insurance Contributions Act. If you have paid FICA taxes without filing the waiver, you should contact your key District Director. You are not liable for the tax imposed under the Federal Unemployment Tax ACT (FUTA).

However, if you are a wholly-owned instrumentality of a State or political subdivision of a State, and social security coverage is desired for your employees, the coverage may be obtained only by an agreement between the State and the Secretary of Health, Education, and Welfare, entered into under section 218 of the Social Security Act, as amended. The waiver procedure described in the paragraph above is not applicable to wholly-owned instrumentalities of a State or a political subdivision of a State even though the particular instrumentality also qualifies for exemption from Federal income tax under section 501(c)(3) of the Code.

Board of Trustees of the El Paso
Center for Mental Health and
Mental Retardation Services

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes. If you have questions about excise, employment, or other Federal taxes, contact any Internal Revenue Service office.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

The box checked in the heading of this letter shows whether you must file Form 990, Return of Organization Exempt from Income Tax. If Yes is checked, you are required to file Form 990 only if your gross receipts each year are normally more than \$10,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. The law imposes a penalty of \$10 a day, up to a maximum of \$5,000, when a return is filed late, unless there is reasonable cause for the delay.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T. In this letter, we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

We are informing your key District Director of this action. Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.
