

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

Information About Submission without Changes

After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as "Read-Only;" except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.

If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.

Recipient Performance

1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request? No

Explain why the APR for the most recently expired grant term related to this renewal project request has not been submitted.

Operating year began February 1,2018.

2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request? No

3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request? Yes

4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request? No

Renewal Grant Consolidation Screen

HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

- 1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition?** No
If “No” click on “Next” or “Save & Next” below to move to the next screen.

3B. Project Description

1. Provide a description that addresses the entire scope of the proposed project.

Now, the majority of local homeless 18-24 year old youth are received in the general populations of the area’s homeless shelters - a far from ideal option for vulnerable and inexperienced youth. This project will provide rapid rehousing for 11-17 homeless unaccompanied youth ages 18-24 in the El Paso County area. Last year alone, 636 youth experienced homelessness sometime during the year. More youth live in personal situations (housing instability/family conflict) indicating a high risk of becoming homeless in the next year.

The project's goal is to provide housing stability and key supports for homeless youth enrolled in high school and who are in early adulthood, empowering them to make a successful transition to adulthood and independence, with a focus on developing housing options that are accepting of the LGBTQI population.

As noted by HUD, the needs of this sub-population of the homeless are unique and require support services beyond what may be needed for more mature persons experiencing homelessness. This is the only youth-focused project in this region and it is impossible to compare support services costs for a youth-centered project to one for older adults. In the organization’s experience, youth in scattered site housing require intensive case management and 24/7 responsiveness to address problems with landlords and neighbors. This investment during late teen/early adult years has the potential for enormous pay-off not only in preventing chronic homelessness, but in supporting the independent living skills for youth who may not have received that support from any parent-figure or role model in the past. This modest project will help inform additional youth-focused outreach, identification, and neighborhood-focused service provision in the future.

This project will offer 2 types of housing options for unaccompanied youth experiencing homelessness. One will be a program to house youth who are receptive to and suited to living in a family’s home as a tenant. These units are called Host Homes. The other housing option will be a combination of efficiency and 1 bedroom apartments.

Support services will include outreach and Case Management linking clients, based on their preferences and individual strengths/abilities, with educational, transportation, health and behavioral health, and basic services providers that exist in El Paso County. As is critical when working with this target populations, unless prevented by previous harm or threat of harm to the youth, every effort will be made to engage youth’s families as potential allies in addressing the youth’s homelessness. As a portion of the in-kind match for this project, the Center will provide emergency shelter services for and its STAR Counseling Services, which works with families and youth using Solution-Focused Brief Therapy.
