

**EL PASO COALITION for the HOMELESS  
APPLICATION FOR MEMBERSHIP**

Membership in the El Paso Coalition for the Homeless is open to all who care about the issue of homelessness in our community: representatives of social and governmental agencies, religious congregations, and concerned citizens. All members are encouraged to attend the monthly General Membership meetings that are held for the purpose of education, networking, and discussion of important issues related to homelessness. The membership annually elects a Board of Directors that governs the business affairs of the Coalition.

For the purpose of voting in business meetings of the Coalition, every member is entitled to one vote, whether the member is an organization or individuals. However, organizations may indicate an alternative representative to assure participation in all meetings.
