

Before Starting the Project Listings for the CoC Priority Listing

The FY 2018 CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be submitted prior to the CoC Program Competition deadline as required by the FY 2018 CoC Program Competition NOFA.

The FY 2018 CoC Priority Listing includes the following:

- Reallocation forms – must be fully completed if the CoC is reallocating eligible renewal projects to create new projects as described in the FY 2018 CoC Program Competition NOFA.
- New Project Listing – lists all new project applications created through reallocation, the bonus, and DV Bonus that have been approved and ranked or rejected by the CoC.
- Renewal Project Listing – lists all eligible renewal project applications that have been approved and ranked or rejected by the CoC.
- UFA Costs Project Listing – applicable and only visible for Collaborative Applicants that were designated as a Unified Funding Agency (UFA) during the FY 2018 CoC Program Registration process. Only 1 UFA Costs project application is permitted and can only be submitted by the Collaborative Applicant.
- CoC Planning Project Listing – Only 1 CoC planning project is permitted per CoC and can only be submitted by the Collaborative Applicant.
- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- All new and renewal projects must be approved and ranked or rejected on the Project Listings.
- Collaborative Applicants are responsible for ensuring all project applications are accurately appearing on the Project Listings and there are no project applications missing from one or more Project Listings.
- If a project application(s) is rejected by the CoC, the Collaborative Applicant must notify the affected project applicant(s) no later than 15 days before the CoC Program Competition application deadline outside of e-snaps and include the reason for rejection.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason after ranking has been completed, the ranking of other projects will not be affected; however, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND re-rank the project application BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

Subject: Certificate of Consistency for El Paso Coalition for the Homeless

Mr. Gonzalez,

The El Paso Coalition for the Homeless (EPCH) is responsible for managing the City of El Paso's Continuum of Care Program (CoC), which is designed to address critical needs and fill identified gaps in the El Paso CoC network for the homeless.

EPCH is submitting on behalf of El Paso area organizations the attached Certificate of Consistency in response to the 2018 Notice of Funding Availability from the U.S. Department of Housing and Urban Development (HUD). This certificate is required in order to compete for CoC funding, which brings approximately \$3 million to our community for homeless programs.

There are sixteen projects included in the 2018 CoC Application. All projects have competed locally and have been vetted and ranked by the HUD mandated local Continuum of Care Board. Each project is an essential component and all are consistent with the City of El Paso's 2015-2020 Consolidated Plan.

EPCH's target date to mail the Certificate of Consistency to HUD is **September 18, 2018**. We respectfully request your signature.

Attached are two sets of the certificate. Please contact Sarah Ortiz at (915) 212-1656 once they have been signed.

Thank you.
